FRIENDS OF

PRESENT...

Trot for Tots

September 13th, 2008 @ Arlington Park

Friends of Sinai Children, established in early 2004, is a dedicated group of young professionals that hosts fundraisers in support of a cause associated with the children's hospital. The money raised by Trot for Tots 2007 helped fund Sinai's High Risk Infant Clinic and purchase an Omnibed, a specialized isolette for the most at-risk newborns in the neonatal intensive care unit. Our goal for 2008 is to raise over \$100,000 for the Pediatric Weight Management Program.

Friends is hard at work making preparations to ensure that "Trot for Tots 2008" is a success. However, the continued support of many generous individuals and local businesses is truly the driving force behind achieving our goals. Your support for this event presents an opportunity for exposure to our members,

supporters, and staff. This event will be an excellent client entertainment opportunity.

Help us fight childhood obesity! 11,000,000 children in the US suffer from being overweight. "Sinai Fit" is Sinai Children's Hospital's pediatric weight management program that provides medical, psychological and nutritional counseling for children and their parents. The clinic's intent is to assist families in making nutritional & behavioral changes through mentoring & measuring progress in monthly clinic visits.

Sinai Children's Hospital, a component of Sinai Health System, delivers high quality, compassionate, family centered medical care in a child friendly environment. Sinai is a safety-net hospital and turns no child away. It encompasses emergency and general pediatric care, a pediatric trauma program, pediatric specialist care, rehabilitation therapy, patient education and prevention outreach in the community. The outpatient component includes 13 pediatric subspecialty clinics, one being Sinai Fit.

HOW YOU CAN HELP

Help us fight childhood obesity! Our cause, Sinai Fit, strives to help children lose weight and learn about healthy lifestyles.

SPONSOR THE EVENT

The benefits of sponsoring our event are priceless. Depending on the level of sponsorship, you or your company may receive VIP seating for up to 20 guests, be listed as "Co-Host" of the event with the Friends of Sinai Children Board, present the trophy to the winning jockey in the Winner Circle, have your company name listed in Sinai Health System's Annual report and mentioned in all press releases and media appearances, display company logo on front/back cover of ad book and various TV screens at the event.

SILENT AUCTION DONATION

We would be honored to receive any and all silent auction items to raise money for our youngsters. By donating, you will be featured in our silent auction booklet. Please contact Clair Benmosché at 312-320-6314 to receive a pledge form and further information.
